## 058. **PUBLIC FORUM**

A parishioner raised objections to planning applications 20/1246 and 20/1247.

## 059. **REPORTS FROM NKDC AND LCC**

The reports were noted and further clarification was given by LCC on the Pitts Road Junction and the footway from Washingborough to Lincoln, which runs alongside Washingborough Road; and NKDC on renewables associated with planning applications and the questions raised regarding the new refuse bins for card and paper (see attachment)

## 060. **CLERKS REPORT**

- a. Speed Reduction on Cliff Lane – LCC Highways have undertaken a speed survey, where the average speed of vehicles travelling through the survey area registered 22.3mph, with no evidence showing vehicles exceeding the speed limit. The resident has been advised of the outcome and also that any further request should go to their LCC Councillor, through the Parish Council. A request has already been sent to Cllr Cawrey by the Parish Council.
- b. Proposed re-routing of the Viking Way – this was discussed at the October meeting and Council's only request was for the Sustrans Path be the preferable route from Washingborough into Lincoln rather than the stated path – LCC have advised that should the re-routing go ahead the proposed path will be maintained regularly by themselves

## 061. **THE FOLLOWING ITEMS WERE RESOLVED AS STATED**

- a. Gately Hamer, renewal of licence for the Communications Tower on the playing field – further advise is still being awaited.
- b. Junction of Pitts Rd/Washingborough Road/Sheepwash Lane and Heighington Road – this item is being dealt with by the County Councillors for Washingborough and Heighington and they will be advising as necessary.
- c. Lincoln Eastern Bypass, street furniture – it was proposed, seconded and resolved to request two bins
- d. 81 Main Road s106 (POS) Monies – it was proposed, seconded and resolved to set up a working party of Cllrs Simons, Bland, Aspinall, Harrington and Fothergill and to look into new and additional

equipment for the play area

## **PLANNING APPLICATIONS 20/1246/FUL and 20/1247/FUL**

Washingborough Parish Council wish to object to the above planning applications as follows:

The applicant's activity, applied for at the piggery, has been ongoing over a two-year period. No consultation appears to have taken place with the surrounding properties. The applicant is a nationwide business with similar activities at a number of sites and should be fully aware of planning regulations regarding a change of use and should have applied for planning consent before taking any steps to run this business. A retrospective application appears to show a lack of business acumen.

The applicant states that they will make a contribution to the local economy, but fail to quantify this.

The amount of noise that could be generated by this activity will have an adverse effect to any animals and wildlife in the area and will also be a general nuisance to neighbouring properties.

Frequency of the events is concerning, with use of words such as – 'selected', 'usually' and 'one-off' which would enable the applicant to numerous events at any given time or day  
The suggested parking area is on pasture land which when it is wet, will become churned up and consequently will transfer on to the public road (B1190)

From an environmental issue the plastic pellets used will have a major impact and could cause injury on and to wildlife and the grounds surrounding the site.

The Parish Council feel that the area stated is not suitable for the applicant's activities and ask NKDC to give serious thought to the implications of this application before making a decision.
